

Marcella Calloway
Furniture & Canvas Art

About

- Marcella Calloway is a self-taught artist who excels in the use of chalk/mineral paint, acrylics, and gouache.

Marcella's true passion lies in breathing new life into old furniture pieces, turning them into functional works of art with her distinctive flair for bright and bold colors. Her style is a delightful blend of whimsy, freshness, and fun, mirroring her joyful approach to her craft.

Marcella also dedicates her time as a private caregiver, avid nature enthusiast and animal lover.

Artist Statement

"Happy Art!" is a phrase that resonates with me as I've often been described as creating art that brings joy. There's nothing quite like seeing the smiles my pieces evoke in people—it's the ultimate reward for me.
