**About**

- Lauren Suveges is an artist/educator from Pittsburgh, PA teaching art and ceramics at Siuslaw High School. She attended Otterbein College earning her BS in Painting. After moving to Oregon in 2007, she earned her masters in Arts Administration from the University of Oregon, worked in museums, edtech, and community arts programming before returning to school for her Masters in Teaching/Arts Education. She has shown in the Karin Clarke Biennial 2019 and 2021. Most recently, she has received the Art Teacher Professional Practice Award to attend the 2024 Creative Arts Community at Menucha along the Columbia River Gorge.

**Artist Statement**

Lauren's earlier work focused on portraiture and relationships, knowledge, meaning, and misunderstandings around race and community.

Since moving to Oregon, her work has become more centered around the natural world and as a coastal resident, the mountains, the forest, and the sea are central to her inspiration.

She most often works in painting and clay with a mixture of functional and sculptural work.
