

Joey Versaw

Doll Maker

About

- Growing up queer during a time it was not accepted was a challenge, however Joey fought hard to always be himself. Starting with paper dolls at the age of four, Joey continuously challenged himself with new mediums. Teaching himself the old school ways of wax sculpting and mold making to today where he sculpts digitally and was the worlds first 3D printed Fashion Doll Artist. Focusing on Doll art and using many mediums and talents to achieve this goal including Sculpting, painting, sewing, design and patterning.

Artist Statement

Sunshine shell with the depths of the sea inside. A true modern day Geppetto with a passion for the art of human beings and all their complexities in miniature scale. Making posable movable art that captures the whimsy and magic of the human experience.
