

Carol Lorraine

Variety of Media

About

- Carol Lorraine is an artist, designer, master colorist, and teacher, whose purpose is to inspire beauty and creativity in others while expressing her own joy. She loves designing unique products and Creative Collections for heart-centered women who want to express and illuminate their dazzling inner beauty from the inside out.

Working intuitively with color, nature, and the enduring essence of Indigenous cultures, she creates a variety of beautiful collections of wearable art on silk, mandalas, altar cloths, and paintings that express and empower women's natural beauty.

Mediums

- Wearable Art such as Scarves, Capes & Wraps
- Silk Painting
- Color Pencil
- Drawing

Artist Statement

Carol Lorraine is an internationally collected artist and creativity mentor specializing in vibrant, colorful, sensual expressions on silk that capture the joy of living. Painted with exuberant joy, a passionate free spirit, and a deep love of nature, people say they experience an aliveness and vitality when viewing or wearing her exciting creations.
